This index to *Llewellyn Traces*, Volume 2, 1990, contains nearly 4,000 entries. Please check every possible spelling of the surname for the given name you're hunting. Our index includes a variety of spellings of the surname for many individuals. Also included are several different spellings of the given names of some individuals. Women are indexed both by their maiden name and by their married name, when both were available.

Comparing the names in this index with those in the index to *Llewellyn Traces*, Volume 1, 1989, may help in connecting families. Of particular interest may be some of the allied names listed in the two indexes.

The index to Volume 1 is included in *Llewellyn Traces* 1:4, December, 1989.
