This index contains 2,200 entries. Please check every possible spelling of the surname for the given name you're hunting. Our index includes a variety of spellings of the surnames for many individuals, and also several different spellings of the given names of some individuals. Women are indexed both by maiden names and by married names, when both are available. Comparing the names in this index with those in the indexes to *Llewellyn Traces*, Volume 1, 1989, and Volume 2, 1990, may help in connecting families. Of particular interest may be some of the allied names listed in all three indexes.
